PETITION TO THE GOVERNMENT OF CANADA:

Whereas: there are serious concerns regarding the federal government's medical assistance in dying (MAID) legislation.

And Whereas: the heads of Psychiatry of all of Canada's 17 medical schools have called for a delay to this legislation.

And Whereas: the federal government has failed to live up to its promise to fund a Canada Mental Health Transfer, leaving Canadians struggling with mental illness behind.

Therefore: We, the undersigned residents of Canada, call upon the Government of Canada to not expand medial assistance in dying (MAID) and to focus on funding mental illness assistance and treatment.
